

2019 STUDENT EXCHANGE PROGRAM SISTER CITIES OF WEST COVINA AND OHTAWARA

INFORMATION

Thank you for your interest in the 2019 Student Exchange Program between the City of West Covina and its sister city Ohtawara, Japan. This is an exciting and memorable program that we are sure you and your student will benefit from tremendously.

Application Process: Every student who would like to participate in the Student Exchange Program is asked to complete a short application (available through the ESGVJCC Office or website esgvjcc.org). This application will give the exchange program committee the necessary information needed to begin planning for the program. Application must be accompanied by a \$200 non-refundable deposit.

Purpose: The purpose of the student exchange program is to provide our students with the opportunity to learn about the Japanese culture first-hand. It is an educational trip, not a vacation.

Requirements: The student must be between the ages of 12-18 by the start of the trip. In order to gain the full experience of the program, each family is required to host one or two Japanese students in August 2020. The student must attend the scheduled meetings prior to the trip.

Trip Dates: Our students go to Japan in July 4 - 13 and the students from Ohtawara will visit West Covina in the beginning of August the following year. These dates are subject to change; final dates will be available at the beginning of the year.

Housing in Japan: While in Japan, our students will homestay with a host family in Ohtawara. This allows our students to experience the Japanese culture first-hand and experiences life in Japan.

Hosting Japanese students: We require each family that sends a student to Japan to host one or two Japanese students in August of the following year when the Ohtawara students visit West Covina. This is a great experience for the family that really allows the entire family to get involved.

Cost: The cost for the 2019 Student Exchange Program will be approximately \$2,000 per student. This covers airfare, transportation in Japan, housing, food, and other expenses. The only additional cost will be the students' personal spending money for souvenirs while in Japan. Students and families will be given the opportunity to fundraise to help reduce the cost per person. There is an optional payment plan so that the full cost of the trip does not have to be paid in full.
