

# 2026 HEALTH FAIR

**APRIL 21 | 11AM-2PM**  
**PLAZA WEST COVINA**  
**PROGRAM**

Hosted by

PLAZA  
WEST COVINA

The ESGVJCC & Plaza West Covina are excited to present the 2026 Health Fair! We know that accessing health and educational resources can be challenging, which is why we strive to keep this event free, all-ages, and open to the public. By having the Health Fair at Plaza West Covina, our goal is to broaden access to care and improve the health of our local community because healthy individuals and families are the heart of strong communities.

For those of you joining us for the first time, be sure to visit our Info Booth and check out our website [esgvjcc.org](http://esgvjcc.org) to learn more about the different programs and classes we offer. The ESGVJCC's mission is to foster and preserve the culture and heritage unique to Japanese American ancestry, as well as to serve the community through social services, artistic, recreational, and educational programs.

On behalf of the Board of Directors and Staff at the East San Gabriel Valley Japanese Community Center, thank you for joining us today as we bridge culture, family, and community. We hope you enjoy your day!
